

Using the bathroom

Purpose

Care of Self

Personal Hygiene

Independence

To familiarize child with bathroom

Presentation

- Children were shown where the bathroom is located.
- They were shown how to open and close the door.
- They were told that the door should be closed for privacy.
- They were also shown how to turn the light on/off.
- They were shown to use the toilet while sitting down (boys/girls).
- They were shown how to use toilet paper in a small amount.
- They may also use flushable wipes when needed.
- They were shown how to flush the toilet and wipe the seat.
- The children were shown how to use soap and water while washing hands.

Note: Please practice the same habits at home and supply flushable wipes for your child
